

'Every Child Counts, Every Moment Matters'

NEWSLETTER

March 2023

World Book Day

The children loved dressing up as their chosen 'word', we had some very imaginative words resulting in some excellent costumes!

Thank you to everyone for your support.

The images used in this newsletter must not, under any circumstances, be copied or shared on to any social media platforms.

Mothers Day Breakfast

We're sure you will agree that we had a very enjoyable Mother's Day Breakfast morning on Thursday 16th March. A big thank you to our Kitchen Team, who as usual pulled out all the stops and to everyone who went above and beyond to help out - Thank you. Ivy in Acorns and her mum were the winners of our Mothers Day quiz - well done!

Comic Relief

We are very pleased to inform everyone we raised an excellent £264.60 for Comic Relief. Thank you to everyone who supported this very worthwhile cause.

Rowan Class dressed in Red for Comic Relief.

Year 4

Year 4 have been designing and making light boxes as part of their work in DT this half term. It's wonderful to see their creativity and personality coming through in their designs. The children used a range of different materials to create a sturdy structure with a translucent front to allow the light to shine through. Well done Year 4!

Easter

Key Stage One children have had fun making their Easter Bonnets for our parades. Key Stage Two children have been very busy decorating/making eggs for their Easter activity. We were all very impressed with the wonderful designs. We hope you all enjoyed the parades and the service.

Continuing the Easter theme the children were delighted to have a visit from some adorable lambs. They were definitely the centre of attention for the day - thanks to Mrs Boss for bringing them to visit.

Natural Art with Year 2

The year 2 children have been exploring natural art techniques. We have learned about Rangoli art from India and had a go at collecting materials to make this type of art in our groups.

We have also tried weaving natural materials and realised that weaving bendy sticks with leaves on is really tricky, and wool is a lot easier.

Lost Property from Forest School during February & March.

Please check if any of these items belong to your child. Please name every item your child has for forest school.

As the weather gets warmer, please make sure your child has a named water bottle and named sun hat.

Forest School News

We have been learning about when the Roman army invaded Britain around 2000 years ago. Who lived in Britain before the Roman army came? How did Roman inventions change life here? We built aqueducts to carry water, we designed villas and forts with under-floor heating systems called hypocausts, we made shields (scutum) and learned square lashing to make a sword (gladius). We took part in Roman army boot camp to see if we have what it takes to become a soldier. Can we march while carrying all our equipment? We learned how the army was so successful in battle as we practised the tortoise formation in our teams.

Library Books

We still have several books missing from the library. Please do have a look to see if you can locate any at home. Thanks to those of you who have returned theirs.

We will be sending home notes to parents who, according to our Library system have a school library book. If you are unable to locate the book or books we are happy for you to make a financial contribution to cover the cost or replace the book.

Juniper Club

This is a polite reminder that there is a strict 7 day cut-off for all breakfast and after school club bookings. Bookings must be made via the School Gateway app by going in to the Clubs section, please contact us if you need help setting this up. If you try to book within 7 days, the app will not allow you to. We are only able to accept later bookings if there is an urgent emergency and this request must be made via telephone to the office. Otherwise please ensure you have booked in advance, as we have to organise staffing.

Please do not send your child to club unless you have a confirmed booking. Parents of children who are not on the register will be contacted and asked to come and collect their child.

If you wish to cancel a booking and receive a refund, you can do this on the app with 7 days' notice. Beyond this date we are unable to issue refunds. Please refer to the Information and Terms and Conditions Booklet on the PA Connect app for further information. You can also request a copy from the office.

School Gateway

We are aware that some people have experienced difficulty when trying to book clubs and events via our school gateway app. Hopefully the majority of these have been sorted with the aid of our user guides etc.

The system will allow parents to make a payment i.e to top up their balance. However, it will also allow you to pay for an event or club without making a booking. This means that parents have paid for a slot at a club but have not booked their child into the club and they do not appear on our register.

When this happens you do see a very clear message informing that you need to make a booking. Unfortunately, some parents are ignoring this message which means our clubs can be oversubscribed.

When a club or event is announced via Parent Apps please make sure that firstly you book your slot and then proceed through the system to make the payment.

If this procedure isn't followed we will have to remove people from the club who have paid but not booked a place and refund their payment.

You can log into School Comms at anytime to look at what you have booked etc.

If you have any queries please don't hesitate to contact the office.

Pick up Arrangements

If there any changes to who will be collecting your child after school and it is after 2pm please call this information through to the office so that we can ensure this is passed on promptly to the teacher.

Free School Meals

We would encourage anybody who thinks they may be eligible, to apply for Free School Meals, even if your child receives the Universal Free School Meals (Reception—Year 2). Children eligible for Free School Meals also get additional support - e.g. help towards paying for school trips and uniform, and as long as the Government is still doing it, food vouchers for certain school holidays. It also helps the school as we receive extra money so that we can put in more support if your child needs it.

We just want to make sure that all our families get everything that they are entitled to.

It doesn't take long to apply, and you can do so here:

[https://www.worcestershire.gov.uk/info/20062/schools/684/
applying_for_free_school_meals](https://www.worcestershire.gov.uk/info/20062/schools/684/applying_for_free_school_meals)

Stars of the Week!

Each week we celebrate children that have produced exceptional pieces of work, or have given of their best in class. Well done to all our stars that have worked hard during the last few weeks...
